Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The summer of 2005 was the most important time in my life as I accepted Jesus into my heart as my Lord and Savior. June 26, 2007, the birth of my only child, Hunter, was the second best day of my life. He was thriving neuro-typically, simply thriving the first 15 months of his life. Since no adequate warning labels were provided detailing potential neurological side effects, thinking I was doing best for my child, I vaccinated my son according to the childhood vaccination schedule. After receiving the mandated MMR, then flu shot, and DTaP vaccination from September 2008 December 2008; Hunter started to regress slowly at first, but regress. In the span of a year, my son went from a happy, engaging, social child, to a child trapped in his own little world. I was nothing short of hysterical, confused and angry. I was desperate for answers as to causation and avenues of recovery for Hunter's sudden onslaught of neurological challenges. Nothing made sense to me as I was led to therapies only to manage...
