Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

WHO SOWS THE WIND THE PUZZLE PLANET

Armchair Fiction Music, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Armchair fiction presents the sixth entry in a new line of classic science fiction double novels. The first novel, Who Sows the Wind, features Earth in the distant future. World War III has arrived! This is an epic story of America under siege-the dark days when she fought for her very survival and a chance at a new beginning. Because of atomic bombs, The United States and much of the world were flooded with waters from the melting polar ice caps. But here and there were a few people who refused to be the world's pallbearers. The second novel, The Puzzle Planet is a good old fashioned murder mystery with a science fiction setting. The action takes place on the strange alien world of Carolus, inhabited by weird creatures known as the Vaec. You'll find lots futuristic thrills in both of these terrific novels, penned by sci-fi veterans, Rog Phillips and Robert Lowndes.
