A B M Publications, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is Sally Stanley s incredible journey and amazing testimony of God giving her The Power To Go On. Stricken with a staph infection which produced large painful sores all over her body, she was rushed into surgery, where the surgeon accidentally severed the main artery to her heart, causing blood to flood her chest cavity, which resulted with her dying on the operating table. This resulted in her after death or out-of-body experience and miraculous encounter with The Lord, as He spoke these marvelous words, You have been chosen by God and your work is not finished. Upon her immediate restoration, she spent weeks on a ventilator and had several months of physical therapy. Over the next several years, Sally has experienced and recovered from a fractured vertebrae, several strokes, and heart attacks. During this time period she also cared for her husband John, after he experienced seizures and strokes, which finally lead to his death on December 12, 2013. Then in May of 2014, while walking in a pedestrian crosswalk, she was suddenly hit by an automobile, suffering multiple injuries, including a shattered right shoulder and broken neck. Sally tells everyone that over the past 20 years, many miracles have happened in my life, but faith in Christ has given me The Power To Go On. I hope that everyone who reads this book will understand that with God, all things are possible. It is so great to know that we have Jesus walking with us each and every day.
