

Bruno Taut's Horseshoe Estate

By Ben Buschfeld

Nicolaische Verlag Beuermann GmbH. Paperback. Book Condition: new. BRAND NEW, Bruno Taut's Horseshoe Estate, Ben Buschfeld, The architect Bruno Taut (1880-1938) is regarded as a master of colorful building, setting new standards worldwide with his estates. Especially the housing estate known as "Hufeisensiedlung" in Berlin-Britz, built from 1925 to 1932, is internationally recognised as a key work of reform-oriented housing. The colourful estate, which was designed with lots of green spaces, is grouped around a 350-metre long building complex, spectacularly curved in the shape of a horseshoe. The building ensemble is a reflection of the urban development model "light, air and sun for everyone" and was declared a UNESCO World Heritage Site in 2008. This high-quality architecture guidebook gives readers an insight into the history of architecture and construction as well as social history. Furthermore, it highlights current issues such as preservation and the increasing privatisation and presents the project "Taut's Home," a rentable row house with garden, completely restored in the style of the 1920s.

Reviews

This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
