Tan Books, United States, 2001. Paperback. Book Condition: New. Workbook. 277 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.PARENTS, teachers and students will welcome this Workbook to the rightly famous Bible History by Fr. Johnson, Fr. Hannan and Sr. Dominica. That superb text is used by one large and well-known Catholic home-study school for 7th grade-yet it is suitable for 6th through 9th grades, and even higher. Bible History Workbook features between 50 and 100 Answer Blanks for each of the 31 Sections (which vary in length), providing over 2,400 Answer Blanks in the entire Workbook! And yet the Questions do not confuse the student with minor points. Rather, the Questions focus the student's attention on the main persons, places, events, concepts and Scriptural quotations in each Section, so that he acquires an excellent basic background in Scripture. (This applies even to adults!) Answers to the Workbook are to be filled in by the student right in the Workbook itself-which thereby becomes a handy review of the text. The Questions in each Section follow the sequence in the text, so that the Workbook can easily be used as homework, to go along with daily reading of the text. Or, alternatively, each Section may be cut from the Workbook and used as a Section test. This Workbook is clearly laid out-and fun to use! It will be a tremendous help for the student in learning a large amount of information, and it will give the teacher or home-schooling parent a clear indication of the student's progress. Since Bible History and Bible History Workbook are based on the traditional Catholic Bible (Douay-Rheims version), the student who makes his way through this Workbook will be tapping into the great Catholic Scriptural traditions.
