Xulon Press, United States, 2015. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. (Eph 6:12 KJV) Celestial special forces clash with satanic intelligence operatives. Archangels engage in brutal hand-to-hand combat with demon princes. Pagan gods of myth make war against the one true God of Abraham, Isaac, and Jacob. Earth and heaven-and beyond-are the battlegrounds, and mankind is the prize. The enemy s strategy hinges on the destruction of David, namesake of the Giant-slayer. Abraham and his wife, Sarah, the Second Patriarchs, are likewise central to this battle that has been raging since before the beginning of time. The High Council of Dark Stars schemes to instigate the great tribulation of the hated book that shall not be named. They play as fiddles the powers that be to usher in the alien peace of the ancient gods. The Jews are counted as the primary troublers of the earth by the Warped Ones, but the Dark Lords of the Night Sky manage to veil this creed from the eyes of Jews and Gentiles alike until their scheme is ready to be set in motion. The tolerant world is about to be shaken by the realization that the pagan aliens of ancient mythology they have just welcomed, with their spaceships and dragons from distant worlds, are bent on their wholesale destruction. Many will open their arms to the embrace of death, even Jews. But the second patriarchs will cling to the holy One they know and love, and through them, all the peoples of the earth shall be blessed.
