SLY SLOTH CAMOUFLAGE TO THE RESCUE

Eliza McCloud Publishers, United States, 2011. Paperback. Book Condition: New. 211 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****.This is an adventure story of a slow moving South American sloth s discovery of the benefit of his camouflaged appearance. Unique colorful illustrations capture (without a word) the intense and beautiful culture of a rain forest. Besides being a fun book to read it is sure to generate discussion in classrooms of most content areas. This book can enhance elementary science concept development as well as foster independent research, and entice reluctant readers. The edgy plot, embedded science knowledge, factual illustrations, and a separate glossary provides vocabulary and science concept development for all students. Sly Sloth should be in every elementary school library. And, no wonder, it is written by a teacher who knows the need. Still there is more. Tucked away in this story is a story of divine purpose and intervention. This is not a one-time-read book. Every reading will reveal another aspect of the story.
