Windows 10 is built from the ground up for a world in which mobile and cloud computing are key. Microsoft's OneDrive online storage facility, which is an integral feature in Windows 10, helps to make this reality. With a raft of new features that include the welcome return of the Start menu, the Cortana personal assistant, the Edge web browser, virtual desktops, Action Center, and universal apps, to name just some; Windows 10 is shaping up to be the best operating system currently on the market.
