

## Visual Elements Trumps

By Royal Society Of Chemistry

Royal Society Of Chemistry, United Kingdom, 2011. Cards. Book Condition: New. 132 x 112 mm. Language: English . Brand New Book. Visual Elements Trumps is a fun, fast-paced chemistry card game based on the popular style of Top Trumps(TM). The colourful, eye-catching cards are an attractive gift for adults and children alike. This simple game is entertaining, engaging and enjoyable, plus you may also learn a thing or two about the elements! Each of the 30 cards represents an element using the stunning graphics from the legendary Visual Elements Periodic Table. The numerical game itself is based on the element s properties (boiling point, melting point, first ionisation energy, density and atomic radius) and includes extra fascinating facts about the elements. This product is sold in packs of ten. For individual purchases, please visit the link below.

### Reviews

*The very best book i actually read through. I have got read through and i am certain that i will likely to read through yet again yet again down the road. I realized this ebook from my dad and i suggested this book to learn.*
